INTELLIGENT DESIGN

The flybridge station is invaluable during tight maneuvering

Galeon 550 Fly is bound to turn heads in amazement with its clever and luxurious interior on par with the dynamic exterior.

The coherent layout has allowed for an unprecedented amount of space on all three decks, while maintaining a classy and appealing presence. Outside, the spacious flybridge will surely be the center of attention with its massive sundeck, functional bar area and a dining table with seating for eight guests. The aft cockpit and salon are divided by retractable glass doors and share a wet bar area.

A rest area with a fold out table will seat plenty

A choice between crew quarters for two or a sizable garage for a Jet Rib is available. The hull's low center of gravity combined with premium engine options guarantee commendable performance in any conditions while the optional extended hydraulic platform will handle all water paraphernalia. Massive side and hull windows ensure that all cabins receive plenty of natural light and provide great visibility for the driver.

Spectacular handling is a staple of 3rd generation Galeon yachts

The main deck is complete with a galley, helmsmen station for two, twin sofas and a dinette that seats an astounding eight people. Numerous custom interior design lines are available with a choice of fine fabrics and natural hardwoods. Below deck, three full-sized cabins offer six berths and plenty of storage for all luggage and necessities. The forward VIP cabin has an en suite bathroom while the owners cabin is fitted with a make-up station and a comfortable Shez-long. Both bathrooms hold separate shower cabins and a clever solution with twin sliding beds can be found in the guest cabin. All quarters offer privacy and sufficient headroom.
